CONTRACT AND AGREEMENT FOR CUTTING PINE TIMBER
Inter
CHEEHA COMBAHEE PLANTATION, INC., Sellers
And
KINGSTREE LUMBER & MFG. CO., Buyer

It is hereby contracted and agreed by and between CHEEHA COMBAHEE PLANTATION, INC., hereinafter spoken of as "seller", and KINGSTREE LUMBER & MFG. CO., hereinafter spoken of as the "buyer", and B. R. SMITH as representative of aforementioned seller and hereinafter referred to as "representative", and it is understood between seller and buyer that said representative will represent the seller in their interest and will supervise according to their wishes between seller and buyer; agreement being as follows:

1. It is agreed that the timber referred to in this contract consists of 4,100 pine trees that are marked, and the buyer shall pay to the seller thereof the sum of Forty Thousand, five hundred and no/100($40,500.00) Dollars for said trees, payment to be made on date of sale.

2. Before any timber cutting operations begin the buyer will place in the representative's hands One Thousand, five hundred and no/100 ($1,500.00) Dollars cash money as security for damages to roads, fences and/or ditches. This bond will be held until seller and representative are satisfied that roads, fences and ditches are restored to equally as good condition as when buyer commenced timber cutting operations.

3. Buyer agrees to cut only trees that are marked by forester. If buyer should cut any unmarked tree, he will be required by this agreement to pay the seller One hundred and no/100 ($100.00) Dollars per tree for all unmarked trees cut.

4. All stumps must be cut twelve (12) inches from the ground or lower, unless otherwise agreed to between representative, forester and buyer. All tops must be lopped to eighteen (18) inches, or lower.

5. It is understood and agreed that this is a contract for the sale of timber and the seller shall have no control over any employees of buyer; and that nothing herein contained shall be construed to make the seller responsible for Workmen's Compensation Insurance, Unemployment Insurance, or any other claim, or claims, for wages, or damages, or for injuries to persons, including those resulting in death, or damage to property resulting from the activities of the buyer in the execution of this contract and including damages for trespass or cutting on lands not owned by the seller. The buyer hereby assumes and agrees to pay any and all claims arising out of the matters aforesaid; and further, agrees to indemnify the seller on account of any claims which may be made against the seller with respect thereto, and to hold the seller harmless by reason of the matters hereinbefore stated.

6. It is agreed that buyer will start this operation on or after February 1, 1953 and will have completed this agreement by October 1, 1953. Mill sites will be approved by representative.

7. The buyer agrees that he will use every precaution against unnecessary damage to standing timber that will not be cut; and further, agrees that if unnecessary damage is incurred, that he will settle for said damages to the satisfaction of said sellers. No unmarked trees willbe used as rig trees or overhead skidders; nor will buyer install any railroad, tramroad for the purpose of removing said timber.

8. The buyer, or any of his employees, will not be allowed to have in their possession at any time a shot gun or firearms of any description; nor will they be permitted to trespass, hunt or fish on the said seller's property. If the buyer, or any employee thereof, is caught with above-mentioned shot guns or firearms, or trespassing in any way other than the execution of their duties to remove above-mentioned timber, they will be prosecuted to the fullest extent of the law and barred from the Plantation property.

9. It is further agreed that the buyer will use every precaution to prevent forest fires. If such a fire should start in area from which buyer is taking timber he will exert every effort to extinguish same. If through negligence of buyer, or any employee thereof, seller's property is damaged, the seller shall have the right of recourse on the buyer for such damage.

10. The buyer shall not assign or transfer any of the right herein granted without the consent of the seller.

11. The buyer agrees to completely burn or remove from premises all sawdust piles, slabs and accumulated trash at mill sites or any part of the premises used by the buyer. A penalty of Two hundred and no/100 ($200.00) Dollars will be charged against the buyer for all sawdust piles, or unnecessary trash left by buyer. This penalty will be deducted from bond for security for damages to roads, fences and ditches, and will be refunded upon satisfactory clearing of said sawdust piles, slabs and trash.

12. In case any question or dispute arises between the buyer and the seller under any of the terms of this agreement, or in regard to any matter herein referred to, such question or dispute shall be submitted by them for final decision to a board of three arbitrators, one to be named by the seller and one by the buyer and the two so chosen to appoint a third. A majority vote of the arbitrators shall be binding and conclusive upon the parties hereto. The representative shall have the right to stop all operations and bar the buyer and his agents from the said Plantation when in his judgment the terms of this contract are being violated.

13. And the said Cheeha Combahee Plantation, Inc., for itself, its successors and assigns, does hereby covenant with the said Kingstree Lumber & Mfg. Company, its successors and assigns, that it is the true and lawful owner of the said described trees herein sold; and that it has full power to sell and convey the same; that the title conveyed is clear, free and unencumbered; and further, that it will warrant and defend the same against all claim, or claims, of all persons whomsoever.

In witness whereof the parties have hereunto set their hands and seals and executed the agreement in duplicate this 16th day of January 1953.
