TIMBER SALES AGREEMENT

THIS AGREEMENT, made and entered into this 15th day of February 1965, between David Maybank and John E. Maybank of Charleston, South Carolina owners of LAVINGTON PLANTATION in Colleton County, South Carolina and hereinafter called the SELLER, and represented by Robert F. Knoth, Forester, and the R. L. Connelley Lumber Company of Yemassee, South Carolina hereinafter called the PURCHASER.

WITNESSETH:--ARTICLE-1: The SELLER agrees to sell and the PURCHASER agrees to buy, upon the terms and conditions hereinafter stated, all the standing trees suited for sawlog use which have been marked or otherwise designated for cutting by the SELLER's Forester on said LAVINGTON PLANTATION. Marked trees suited for pulp purposes only are to remain the property of the SELLER. A timber plat of the sales area is attached to this agreement. The trees to be sold have been marked with paint spots on the trunk as well as the stump.

ARTICLE 2. The PURCHASER agrees to deposit with the Forester a sum equal to 5% of his purchase bid or Three Hundred and Fifteen Dollars and Thirty Cents ($315.30) which will be held as security for proper performance of this agreement and will be returned in total or in part as liquidated damages under the terms of this agreement upon completion of the operation.

2) The PURCHASER agrees to pay the SELLER the sum of Six Thousand Three Hundred and Six Dollars and no cents ($6,306.00) for said timber. Full payment to be made at the execution of this agreement.

ARTICLE 3. The PURCHASER will have a period of eight months in which to enter upon said property to cut and remove timber and trees conveyed, and to use and enjoy the rights hereby granted, and on or after the expiration of eight months from the date of this agreement, all rights hereby granted will cease and terminate and be of no further force or effect, and any and all timber and trees, whether standing, cut down or fallen upon the lands described herein at such time will be and remain the sole property of the SELLER.

2) In the event of unauthorized cutting and destruction or use by the PURCHASER of any timber and trees not expressly conveyed to the PURCHASER by the SELLER, it is understood and agreed that the PURCHASER will pay to the SELLER therefore a sum of money as liquidated damages as follows: to wit: at the rate of Seventy Five Dollars ($75.00) per M' board measure, the Forester's scaling to prevail, excepting trees cut to release lodged trees and to salvage badly damaged trees, in which event the PURCHASER will pay at the rate of Thirty Seven Dollars ($37.00) per M' board measure, Forester's scaling to prevail.

(Continued on the next page)

3) Stumps shall be left no higher than 14" above the ground unless defective, scarred or greatly tapered.

4) Trees are to be felled as far as possible from standing reserved trees and into openings where available. All tops and branches from felled sawtrees are to be removed at least 3' from standing reserved merchantable trees. The tops and products thereof are to remain the property of the SELLER.

5) Young trees shall be protected against unnecessary injury and damage. Only dead trees and unmerchantable hardwood, including tops, may be used for construction purposes in connection with building temporary roads and corduroy. Roads shall be located so as to avoid stands of young timber so far as possible.

6) The PURCHASER obligates himself to take particular care using the avenue to the timber. The causeway is to be maintained in good usable condition at all times, as are all other existing roads used by the PURCHASER; and upon conclusion of the operation all roads are to be left in as good condition as found. The Means gate is to be kept closed when not in use by the PURCHASER.

7) Skidders and skidding arrangements are prohibited in the logging operation and trees used for rigging guys are restricted to marked trees or unmerchantable hardwoods. The PURCHASER will be required to log his timber away from the tract. No Sawmill will be permitted on the ground.

8) Care should be exercised by the PURCHASER at all times against the starting and spreading of fires and he will be held responsible for the suppression and resultant damage from fires caused by him, his agents or employees.

9) The PURCHASER agrees to repair at his own expense, damage caused by his operations to fields, gates, fencing, bridges, causeways, cattleguards and other improvements, as well as ornamental trees and shrubs.

10) The PURCHASER shall use due care to prevent all persons engaged in harvesting the timber from hunting, trapping, setting fires, or committing any depredation upon the said property. Neither the PURCHASER nor any person in its employ shall have or maintain on the property of the SELLER any dog or cat, nor shall have in his possession on the said property any shot gun, rifle, or trap designed for the capture of any bird or animal. If any employee of the PURCHASER shall engage in hunting, trapping, or setting fires or committing any depredation of the said property, such employee upon the demand of the SELLER, shall be immediately discharged and shall not be reemployed.

ARTICLE 4. It is mutually understood and agreed by and between the Parties hereto as follows:

1) All timber included in this agreement shall remain the property of the SELLER until paid for in full. The SELLER guarantees he has full rights and title to the timber included in the sale and that it is free from all liens and otherwise unencumbered.
