Malachi Ford, C.E.C.E.D. }
To } Conveyance of town Lot No 66
Mrs Jane May }

State of South Carolina. To all to whom these presents shall come, or be made known, Or whom the same may in anywise concern, I, Malachi Ford, Commissioner of the Honorable Court of Equity for the District of Colleton in the said State - Send Greeting. Whereas Simon Verdier & other Heirs at Law James Thompson deceased on or about the Twenty second day of November in the year one thousand eight hundred & twenty two did exhibit their Bill of Complaint in the Court of Equity at Walterborough in the District of Colleton & State aforesaid against Dr Hugh McBurney & Eliza his wife wherein they state that James Booth Thompson in his lifetime was seized of six Sections of Land on Island Creek in the District of Colleton, each containing 1000 acres, on part of which the town of Walterborough stands - Granted September 2d 1793 to the said James B Thompson & Robert G Harper that the said Robert G Harper transferred his interest therein to the said James B Thompson & that the grants remained in the Office of Secretary of State till after the death of the said

James B Thompson, when in December 1819 by Act of Assembly the heirs of James B Thompson were authorized to take out the same. The Bill further shews that the said James B Thompson died 1799 intestate leaving a widow the said Eliza McBurney & James Thompson, his father, under whom the Complainant claims an interest in the said Lands. And in their Bill pray for a partition thereof as will more fully & at large appear by reference being had to the records in the Registry of said Court & the Court of Appeals of said State. And the Cause being at issue before the Honorable Court aforesaid, came on to be heard at January sitting one thousand eight hundred & twenty two, when the said Court after full hearing there of, & mature deliberation in the premises, did Order & Decree that the Section called the Walterborough Tract should be divided into Lots & be sold at Public Auction by the Commissioner of the said Court on the terms & for the purposes mentioned in their Decretal Order, as by reference there to, in the Registry of the said Court will appear; And the said Malachi Ford as Commissioner of the said Court, after having duly advertised the said Lots for sale by public outcry, on the Sixth day of July in the year of our Lord One thousand eight hundred & twenty three. Did then openly & publicly, & according to the custom of the Town sell & dispose of the said Lots below described unto Mrs Jane May late of the City of Charleston for Thirty Dollars lawful money paid being, at that price the highest bidder for the same. Now Know all Men, that I, the said Malachi as Commissioner of the said Court, in Consideration of the premises, & also in Consideration of the said sum of Thirty Dollars paid me by the said Mrs Jane May (the receipt whereof is here by acknowledged) have granted bargained sold & released & by these presents do grant bargain sell & release unto the said Mrs Jane May & her heirs & assigns. All that Lot in the town of Walterborough marked on the plat of said Town No 66. Bounded North & South by Streets East by Lot No 67; West by Lots Nos 65 & 68. Together with all & singular the hereditaments, rights members & appurtenances whatsoever, to the said Lot belonging or in any wise appertaining; & the reversions & remainders rents issues & profits thereof; And also, all the right title interest claim & demand whatsoever both at Law & in Equity of the heirs & representation of the said James Thompson & of all the parties to the said suit & of all other persons rightfully claiming or to claim the same or any part thereof, by, from or under them or either of them: To have & to hold the said Lot No 66 with its hereditaments privileges & appurtenances unto the said Mrs Jane May her heirs & assigns, to her & their & their only proper use benefit & behoof forever. In Witness Whereof I the said Malachi Ford as Commissioner of the said Court under & by virtue of the said Decree hath hereunto set my hand & seal at Walterborough this Eighth day of May in the year of our Lord one thousand eight hundred & twenty two & in the fifty sixth year of the Sovereignty & Independence of the United States of America.

owners in fee simple of the lands hereinafter leased
parties of the first part Lessors, and Julian Fishburne
party of the second part Lessee. Witnesseth:
First: That the Lessors in consideration of certain
rents, or royalty hereinafter set out, do
hereby grant and lease unto the said Julian
Fishburne, his heirs executors, administrators and
assigns, for the purpose of digging, mining, manufac-
turing, preparing for market and removing the
phosphatic rock and phosphate deposits therein
therein and thereunder, and for the purpose of culti-
vating and otherwise using the same in such manner
as he may be minded, the following property, to wit:
All that plantation or tract of land lying, situate
and being in Saint Bartholomews Parish, County of
Colleton and State aforesaid, containing in the
whole four hundred and seventy five (475)

acres more or less; Bounded on the Southeast on the road leading from Parkers Ferry to Ashepoo Ferry South West by lands known as the Sycamore tract formerly lands of Witsell, West and North West by lands now or late of Warner, North East by lands of James Glover. the said premises being a part of the lands purchased by James B. Glover from the late Mrs Oswald, widow of Dr. Oswald, and known as the "Bulbretts lands" and "Cedar Grove Plantation"; the said tract which was sold to Henry James by the said James B. Glover, being more particularly described on a plat made from actual survey of the same, and boundaries of the same marked with yellow heavy lines to designate the same, by Archibald D. Campbell Esquire Surveyor for and in the State aforesaid and County of Colleton. Together with the exclusive right of entry upon the said premises, and the entire possession and enjoyment of all and singular the rights, Members, hereditaments, and appurtenances to the said premises belonging or in anywise incident or appertaining. To Have and to Hold, and against all persons whomsoever, to warrant and defend the same unto the said Julian Dalcho his heirs executors administrators and assigns. the said Lessee his heirs executors administrators and assigns, shall also have the right to sublet the whole or any part of premises hereby leased. Second. the rent to be paid by the said Lessees shall be in the nature of a royalty of sixty (60) cents per ton, on each ton (or two thousand two hundred and fourty pounds) of Clean, dried, merchantable, phosphate rock mined, dug and removed from the said the said royalty is to be paid to the said Lessors semi annually as rock is sold and removed from the said leased property, the number of tons to be ascertained and determined by the certificate of the sworn weighers as the returns for the rock shipped during the said period are received. The Lessee shall keep proper books of account showing the shipments or manufacture of all phosphate rock dug or mined on the premises, which said books shall at all times be opened to the inspection of the Lessors and their agents, who shall always have the right of entry upon written notice given to the said Lessee, his executors administrators or assigns for the purpose of ascertaining the Quantity of rock from time to time mined, dug or removed from the said premises and further for the purpose of inspecting the regular and systematic way in which the said rock is being mined. The Lessee is to dig and mine the said Phosphate rock in the manner usual and proper in such business and in a regular and systematic way. But he shall not be compelled to dig seams of rock unless the same are at least ten inches thick and are not a greater depth than six feet from the surface of the ground during the rock; provided that if the seams or stratum of rock

between the said depths of six feet and the depths of eight feet from the surface of the ground through the rock be fifteen inches or more in thickness then this rock in the usual proper, regular and systematic mining of phosphate land shall be dug and mined by the said Lessee. Third. That the Lessee is to dig, mine and remove during the continuance of this lease during each year at least three thousand (3000) tons of rock per annum as a minimum. And that he shall be bound to pay at the end of each year the royalty on at least such minimum amount of rock as is above stipulated, whether the same be so dug, mined and removed or not, the default thereof these this lease shall cease, determine and be utterly null and void and the Lessors shall have the immediate right to the possession thereof; provided that the royalty so paid for rock not actually dug, mined or removed in any year or years, shall be applied to and be an offset against the royalty on rock dug, mined and removed in excess of the minimum quantity agreed to be dug, mined and removed in any year or years. It is however agreed that whenever the selling price of average rock free on Board at works shall be four dollars or less per ton, the Lessee shall have the right to discontinue operations so long as this shall be the case, and should he so discontinue for such period and periods the payment of royalty shall cease. It is also provided that in case time shall be lost by the injury or destruction of the works of the said Lessee, he shall be allowed a reasonable time for repairs and reconstruction, during which period he shall not be required to pay any rent or royalty, provided said period at any one time shall not exceed three months. It is further agreed that the Lessee shall be allowed the space of six months from the date of these presents for the erection of his machinery, railroad etc. during which time he shall not be required to pay any rent or royalty. Fourth. And the said Lessee shall have the exclusive right to lay such railroad tracks ways and roads over, upon and through the said premises as he may deem necessary; and to erect and use upon the same such wharves, sheds, houses and other buildings, structures, machinery and plant whatsoever as he may desire, and as his business and pursuits may call for. Also the right and privilege of boring and digging Artesian or other wells on the said premises and the right and privilege of discharging and depositing the debris or detritus from this phosphate and other works in and upon such part or parts of the premises as may be most convenient for him. And also the right the

Lessors may have to use and divert all such water and streams as he may wish, and to cut and to use such timber and wood as may be needed for any purpose connected with his business and this lease, whether for the purpose of the erection of structures and buildings, mining and manufacturing operations, fuel for washing or preparing rock for market, and for the domestic and all other purposes of himself and his employees, and others under him but not however to cut any wood for sale barter or exchange) The said lessee shall also have the right to remove all or any of his plant structures and improvements at his will and pleasure; and upon the termination of this lease from any cause, he shall be allowed four months time from such termination for such purpose; provided that at the time of said removal all indebtedness of said Lessee to said Lessors be fully paid satisfied and liquidated. Fifth, the Lessors shall have a lien upon all rock dug and remaining upon the premises, to secure the payment of and all royalty due and unpaid on rock shipped. It is also agreed that the Lessors shall pay during the continuance of this lease all taxes upon the real estate herein leased, but not on any plant or buildings, machinery or personal property of any kind or improvements placed thereon by the Lessee his executors, administrators or assigns. It is further agreed that one half of the State and County taxes assessed by the State and County on the tract mentioned from the said premises shall be paid by the Lessors and the other half shall be paid by the Lessees his executors administrators or assigns, this lease to continue in full force until the available supply of phosphate rock is exhausted.
